A message from the West Region Director

On behalf of the entire Western Region family, we welcome all of the volunteer umpires that have been selected to umpire in the “2017” Western Region Baseball and Softball Tournaments. Through your dedication and volunteer service to the leagues in your local communities, you have earned the right to represent us at this elite level of play.

The Volunteer umpire plays a major role in the success of the local league and selection as a Regional umpire is a significant achievement deserving of much recognition. To earn such an honor an umpire must demonstrate above average skills, adhere to the true principles of Little League Baseball and Softball and provide their officiating services on a voluntary basis.

Many of this year’s Regional umpires have waited years for the opportunity to umpire at this level and it will undoubtedly be an experience that will last a lifetime.

Our sincere thanks and best wishes go out to each volunteer umpire and we wish you the best and hope that you have a pleasurable and rewarding experience and thank you for your dedication and commitment to Little League Baseball and Softball.

Sincerely,
Dave Bonham
West Region Director

A message from the West Region Umpire In Chief

It is a great honor to introduce the 2017 Little League Western Region Regional and World Series Umpires for baseball and softball.

These men and women have reached the highest level for volunteer umpires. They have devoted countless hours of training both on and off the field, have worked countless games and have waited many years to reach the pinnacle of their avocation. They have sacrificed time away from family and friends, missed special family events, holidays and family outings to help our young participants learn the life lessons we hope will make them all future leaders and positive role models in our society. The volunteer Little League Umpire is an essential part of the teaching process and is an important part of learning teamwork, sportsmanship, responsibility and rule enforcement. Each of these individuals covets the opportunity.

They are now member of a very special and close community, the fraternity, sorority, brotherhood and sisterhood of Regional and World Series Umpires. It is a select group and one all should be proud to have attained. Please congratulate them on their accomplishments.

As the Umpire in Chief of the Western Region my heart swells with pride knowing that they are members of the Western Region. Along with Doug Perret, the Assistant Umpire in Chief of the Region, we thank you for all you have done to make our program and our Region great. You are a credit to your local league, your District, Section, State and Western Region. Those of you off to a World Series, work hard to show the world why we believe the West is truly the best. To all umpires, enjoy the experience, relish the opportunity and make sure you share it with those closest to you and take a second to realize what you have accomplished.

Enjoy the ride,
Mark Bernstein
West Region Umpire-In-Chief

A message from the WRLLUAA President

On behalf of my fellow members of the Western Region Little League Umpire Alumni Association, I want to congratulate all of you who have been selected to umpire at a Western Region baseball or softball tournament in 2017. You join a long and distinguished list of volunteer umpires who have had the honor and privilege of being selected from amongst their peers to work one of these prestigious post-season tournaments.

Your selection is a great honor for you, your family, and for your District and one you have worked hard to attain I am sure. The volunteer umpire is an integral member of the Little League program. This assignment takes you away from your family, friends, and work to positively help shape the lives of our youth. For that commitment and sacrifice, you should be highly commended.

I, along with each member of our Umpire Alumni Association thank you for your time and dedication. You are part of the closest and best fraternity in the world. Be proud of your achievements, they are well earned. Enjoy the games, the atmosphere, the camaraderie and have a great Tournament!!!

Thru generous donations and memberships since its inception in 2005, the Umpire Alumni Association has invested tens of thousands of dollars into equipment, scholarships and facilities benefitting Little League volunteer umpires throughout the Western Region. Since that beginning, we have grown to over 200 members, both men and women, from all walks of life. What we have in common is a true dedication to the Little League program and the belief in its principles; Character – Courage – Loyalty.

If you have not already done so, please consider joining the Umpire Alumni Association (a public charitable 501(c)(3) tax exempt organization) and assisting us in continuing our efforts.

Sincerely,
Tony Cooper
President West Region Little League Umpire Alumni Association

DISTRICT: California 12
YEARS LITTLE LEAGUE SERVICE: 21 Years

VOLUNTEER CAREER: My little league journey began in 1996 when I became an assistant coach for my son's team at Cambrian Park Little League. In 1998 I became manager of his Majors team. That responsibility included a few required umpire assignments throughout the year. The first year I went out there cold and realized I had better get some training. The following year I attended my first District 12 mechanics and rules training. I continued coaching, managing and umpiring through my two younger sons Little League careers. In 2004 I joined the Board of Directors for CPLL and served for six years, two of which as president (2005-2007). During this time I was nominated and umpired the first of many D12 All Star games. After my board service ended and while I was still managing (and umpiring), I attended annual D12 trainings realizing that this was something I would continue to do after my sons aged out of Little League. I retired from coaching in 2012 but stayed on the field to umpire. I began assisting in our league umpire trainings in 2010 which led to assisting in 2-3 other D12 clinics each year since. I've umpired various Section tournaments beginning in 2009. My first big field post season appearance was in 2010 and my first big field Section assignment was in 2012.
