## A message from the West Region Director

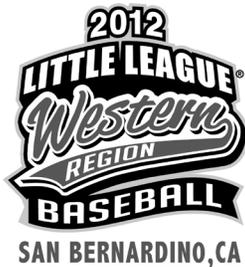

On behalf of the entire Western Region family, we welcome all of the volunteer umpires that have been selected to umpire in the “2012” Western Region Baseball and Softball Tournaments. Through your dedication and volunteer service to the leagues in your local communities, you have earned the right to represent us at this elite level of play.

The Volunteer umpire plays a major role in the success of the local league and selection as a Regional umpire is a significant achievement deserving of much recognition. To earn such an honor an umpire must demonstrate above average skills, adhere to the true principles of Little League Baseball and Softball and provide their officiating services on a voluntary basis.

Many of this year’s Regional umpires have waited years for the opportunity to umpire at this level and it will undoubtedly be an experience that will last a lifetime.

Our sincere thanks and best wishes go out to each volunteer umpire and we wish you the best and hope that you have a pleasurable and rewarding experience and thank you for your dedication and commitment to Little League Baseball and Softball.

Sincerely,  
Jim Gerstenslager  
*Western Region Director*

## A message from the West Region Umpire In Chief

I would like to congratulate and welcome all the umpires to the 2012 Little League Western Region Baseball and Softball tournaments this year.

The volunteer umpires selected this year join a special group of alumni who have already had the opportunity to officiate at various Regional Tournaments.

The Volunteer Umpire plays a very important role in the Little League Program. Through their example of leadership and authority, they exemplify the example of Character, Courage, and Loyalty, which are the three foundation principles of the Little League Program.

Every umpire that makes it to the regional level in their career should take pride in their accomplishments. The Little League Program for their commitment and volunteerism recognizes them by selecting them to umpire at higher-level events such as Regional and World Series Tournaments. Each one of these umpires have committed many hours of training which include; rules interpretation, field mechanics training, and umpiring at their local and district league level, all on their own time and at their own expense. Many have sacrificed time off from work and time away from their families to take on this honored responsibility.

The Little League family, at all levels, owes our volunteer umpires a lot of gratitude. I congratulate them on making it this far in their career and hope this tournament for them is the experience of their lifetime. If you see one of them at the tournament this year, please tell them thanks for what they do for the Little League Program.

Sincerely,  
Bill Carter  
*Western Region Umpire-In-Chief*

On behalf of the Western Region Little League Umpire Alumni Association I want to welcome and congratulate the 2012 umpires who have been selected to work Western Region baseball and softball tournaments. You join an elite group who has had the honor and privilege of being selected from among their peers to work one of these prestigious tournaments. This is just one step away from a World Series birth for the teams involved. Pretty heady stuff.

Your selection is a great honor and one you have worked hard to attain. The volunteer umpire is an important member of the Little League program. This assignment takes you away from your family, friends, and work to positively help shape the life of a youngster. For that commitment you should be highly commended.

I, along with each member of our Alumni Association thank you for your time and dedication. You are part of the closest and best fraternity in the world. Be proud of your achievements, they are well earned. This may be a big stage but take the time to enjoy the games, enjoy the atmosphere, enjoy the camaraderie and accolades and you will have a great tournament.

Sincerely,  
Pat Ryan
